SOLOCH

The SOLOCH company has been on the market for over 30 years. Metalworking is our passion. From the very beginning, top-quality service and an individual approach to every project have been our priorities. We love challenges and want to meet all the challenges you entrust us with!

DESIGN. 02

Our company offers structural design according to guidelines or designs.
The only limit is our imagination! We create solid and functional solutions, tailored to the individual needs of each client. Thanks to our experience and modern technologies, we successfully execute even the most demanding projects.

WEBSITE & SOCIAL MEDIA. 03

We're online for you! You can follow the results of our work on our website and social media.

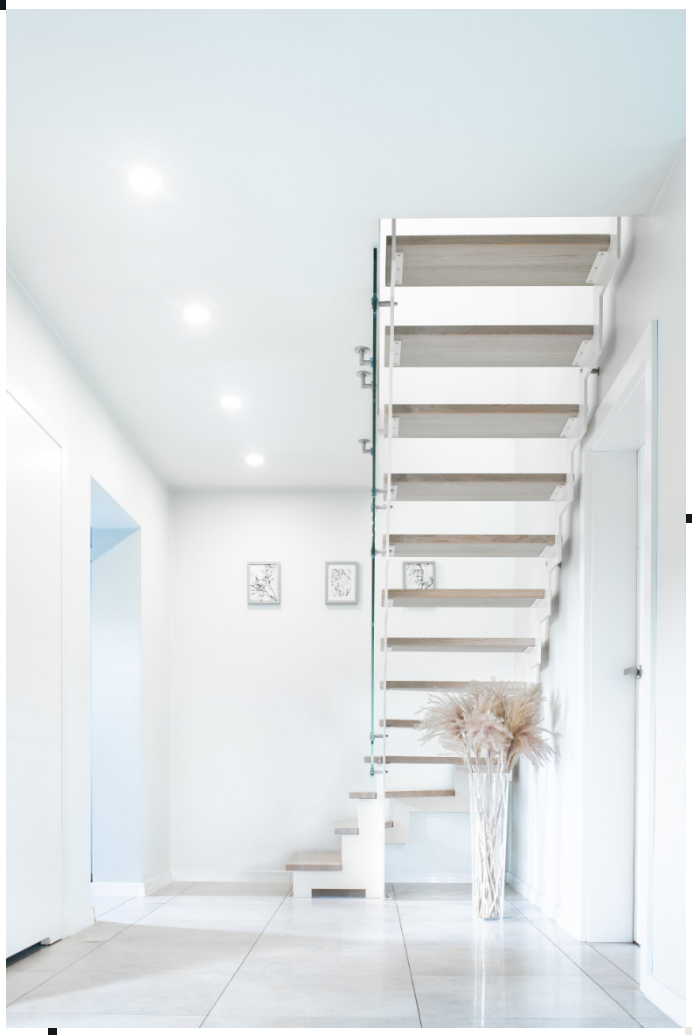
STAIRS. 04

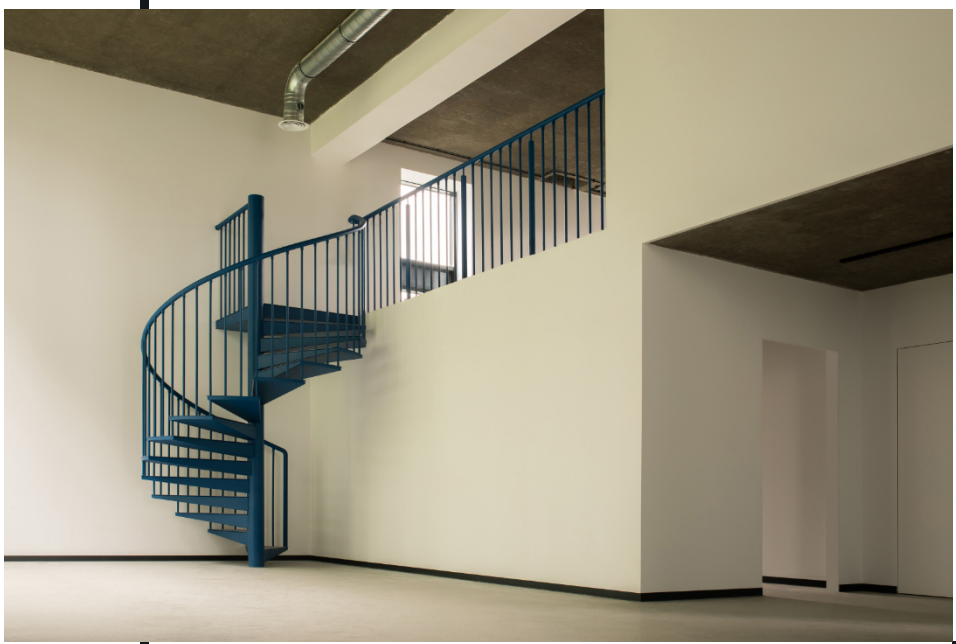
QUALITY

Stairs are a product through which we can express our artistic souls. We design them to be a decorative element of your home that will arouse admiration among family and friends.

HARMONY



We create solutions that blend durability, comfort, and timeless style. We pay meticulous attention to every detail, ensuring our stairs harmonize perfectly with your space and deliver both aesthetic appeal and lasting functionality.



05

GATES AND FENCING.

PERFECTLY MATCHED COMPONENTS

Gates and fences must combine ease of use with an attractive appearance.
We offer proven solutions that ensure the perfect blend of these two qualities.

A TAILORED APPROACH

SUCHARSKIEGO
